ROSEMONT. THE undersigned is induced to offer for sale, his country Residence and Farm, situated 314 miles from Nash-ville, on the Murfreesboro' Turnpike, and within a few minutes walk of the N. & C. Railroad. It embraces between 75 and 90 aeres, in about equal proportions, of beautiful wood-land and cultivated land, in the highest state of improvement. A portion being well set in Timothy, Clover and Blue Grass, to which the soil proves admirably adapted, the whole substantially fenced with cedar, and supplied in every direction with never-failing springs of the purest water.

The grounds about the buildings have been embellished with gravelled walks, falling garden, rich grass-plots, choice flowers, shrubbery and evergreens, while for the extent and variety of fruit trees, obtained without regard to cost, or

labor, from the most approved nurseries, it is not exceeded by any in the country. The buildings are extensive and convenient-barns, cribs, stables, carriage houses, servant's houses, gardiner's house, ice-house of large dimensions, spring house built of stone, over a spring of rare excellence, and furnishing a great abundance of water, a portion of which, by means of an Hydraulie Ram, is conveyed directly to the dwelling, and there, after supplying the wants of the family, affording a surplus still, which is susceptible, at little cost, of being directed to many purposes of ornament and utility. Besides these, the family dwelling, built in cottage style, having sev-

en rooms, well arranged and occupying an eminence, unsur-passed for pure air and a charming landscape For health, fertility, convenience to churches and schools, and good society in the country, it is not surpassed, and those in want of such a situation are invited to examine it. If sold early, I will sell also, my farming imples household furniture, and choice stock of various kinds, in couding two fillies, now 3 years old, of great promise, by the celebrated Wagner, out of my equally distinguished Stoc3-hider Brood Mares. DR. C. WILLIAMS'

Testimonial from Col. L. B. Thornton, Attorney at Law Dr. C. Williams—*Dear Sir:*—I take great pleasure in being able to recommend your "Balsam of Wild Cherry and Wood Naptha;" I feel no hesitation in saying it is the best remedy I have ever tried for colds, coughs, and affections of the lungs and chest. I had an attack of Pneumonia last winter and received entire relief from one bottle of the above medicine, and have since tried it for cough, produced by severe cold, and found from it immediate relief. If my testimony to the efficacy of your valuable medicine will be of any use, you can have permission to use this as you please Yours truly, L. B. THORNTON.

Certificate from Mr. Rees H. Lin, a highly respectable merchant of the firm of Lin & Brantley, Atlants, Ga.

Atlanta, February 12, 1852.

This is to certify that I have used Dr. C Williams' "Compound Pulmonic Balsam of Wild Cherry and Wood Naptha," for a disease of the Lungs, with which I have been afflicted for many years, and found more relief from it than any medicine I have ever used-having used a quantity of Wistar's Balsam and other preparations. I found that Dr. Williams' "Pulmonic Balsam" gave me more relief than any other preparation. I have procured this medicine and furnished it to many of my friends, and they unhesitatingly declare that they have received great and permanent relief from its use, and declare it the best and most effectual remedy for all diseases of the Lungs and Throat. I therefore take pleasure in recommending this very valuable preparation to the afflicted. REES H. LIN.

ASTHMA is generally much relieved, and often wholly cured by Cherry Pectoral. But there are some cases so obstinate as to yield entirally to no medicine. Cherry Pectoral will cure them, if they can be cured. BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Doct. Lansing, of Brooklyn, New York, states : -

"I have seen the Cherry Pectoral cure such cases of Asth-ma and Bronchits as leads me to believe it can rarely fail to cure those diseases." FOR CROUP. Give an emetic of antimony, to be fol lowed by large and frequent doses of the Cherry Pectoral, until it subdues the disease. If taken in season, it will not fail to cure. WHOOPING COUGH may be broken up and soon cured by the use of the Cherry Pectoral. THE INFLUENZA is speedily removed by this remedy.

Numerous instances bave been noticed where whole families

were protected from any serious consequences, while their neighbors, without the Cherry Pectoral, were suffering from SALEM, Ohio, June '51.
